

Summer Youth Program

Newport Playground

Dates: July 5, 2017- August 11, 2017

Time: 9am to 4pm Monday thru Friday

Please join us this summer at the Newport Playground's Summer youth program!!

This is a program for children and families to come and have fun for the summer! We will have registration dates for you to sign up as well as forms available at the Playground during normal operating hours. This is a free program for anyone to join, you do not have to live in Newport to attend.

There is a list of daily activities that will go on throughout the summer. (Please see attached schedule) There are also theme days throughout the summer. They are listed on the schedule with events and have a separate list of dates and details.

We will be involved in sports activities, crafts and general Summer fun. In the event of rain, we will be have indoor activities instead of the outdoor ones so please still come for some fun! Please have your child come in/with appropriate footwear and clothing. Summer can be very warm and we will have a water activity daily (weather permitting!) Please send your children in something that can get wet or a bathing suit and with a towel, sunscreen, hats, sunglasses and any other Summer safety store.

The Summer Youth Program is NOT a babysitting service and in the event of a thunderstorm or other inclement weather, the Playground will close. The registration forms are important so we can contact families in the event of an accident or unexpected closure.

We will have concessions open from 9AM-4PM daily with lunch available midday for purchase.

In the afternoon, we will be have daily crafts. There are a couple couple of crafts that will require you to send an item in. Those are listed on the schedule with

what specifically to send in. All other items or supplies needed for the crafts or activities will be supplied by the program.

Children do not have to stay all day or come every day. It is a free program for children to come and go as they please.

There will be some fundraising throughout the summer for the end of year party, as well as other events we may be able to have.

We can't wait to share the Summer with you!

Thank you,

Jackie Santmier, Program Lead and the Village of Newport
