ZBA meeting of the Village of Newport.

The monthly meeting of the Newport Village ZBA was canceled because there was not enough members present to form a quorum.

The only issue on the agenda is the application for a variance for Moody Polaris to install a larger sign than permitted. All information had been forwarded to the Oneida-Herkimer Planning Board for review.

If there are any issues that arise that need immediate attention, a special meeting of the ZBA will be scheduled. If not the next regular meeting will take place at 6:30 PM.
